Information Classification: CONTROLLED

Dear Members

Please note that the Local Planning Authority will no longer send out neighbour notification letters for planning applications unless they are householder applications. We will still publish:

- application details online
- site notices for applications
- press notices, where required by law.

We will continue to consult statutory organisations and town and parish councils.

The requirements for consulting on planning applications are set out in the [Town and Country Planning \(Development Management Procedure\) \(England\) Order 2015](#).

You can find more information on our publicity procedures on the Cornwall Council [website](#).

With kind regards

Olly
