Torpoint Library and Community Hub

Thank you
This March we were privileged to welcome just over 4,700 of you through the door. Thank you for your support.

Waste Recycling

We had our second visit from Cornwall Council Waste Recycling team this month. To ensure others could make it after work to ask their questions we ran the session until 7pm. The last roadshow will be on the 10/04/24 from 11-1500.

TALK TO US FACE-TO-FACE

Food waste, recycling and rubbish changes

TORPOINT Drop-in roadshow event

🕒 10 April, 11am to 3pm
📍 Torpoint Library & Community Hub

Torpoint Community Pantry

Each day we put out food rescued from being thrown away and wasted. We are delighted to have this donated by Coop, Marvellous Weighs and The Cornwall Gleaning Network. This not only helps avoid food waste but also offers people who really need it, the opportunity to access free food. We really appreciate the help and support from the businesses involved and welcome any additions.

Free Pasties for St Piran's

Over 500 visit the Library and Community Hub to celebrate

In Cornwall, St Piran's Day is celebrated just as much as St Patrick's Day is in Ireland. True to tradition Torpoint Library and Community Hub invited the community to join them for the day. In the morning we had some very well behaved pupils from Carbeile Junior School folk choir. They were taught about the history of St Piran and also sang some Cornish songs, filling the building with wonderful music. In the afternoon many joined us for a beautiful spread of pasties, scones and saffron cake. We would like to thank staff and volunteers for your help with preparing such a fantastic day and also Torpoint Archives for Bill's wonderful storytelling and history session.

Cornwall Council Benefit Support

In March, Dan from Cornwall Council joined us on Wednesday mornings from 10am to 12pm, this will be continuing weekly. He is offering a drop-in support service for help with Council Tax support, Housing Benefits and discretionary payments for people on a low income struggling with their finances.

Housing Benefit, Council Tax Support and Discretionary Awards advice
