Monday 14th March – Commonwealth Day – ‘Fly The Flag for The Commonwealth’ at Sparrow Park with the Children and Students from the Torpoint Nursery and Infant School, Carbeile Junior School and Torpoint Community College.

The ‘[Fly a Flag for the Commonwealth](#)’ initiative was launched on Commonwealth Day in 2014. It provides an opportunity for all those living in the Commonwealth to join together and celebrate the association by flying the Commonwealth flag.

Report from the ‘Keep Torpoint Clean Team’ The Team had a clean-up on the 15th March and collected 7 bags of rubbish plus a large plastic children's toy car, a large umbrella and various other large items from the woods along the edge of Trevol Road (The Grove).

The woods were in a horrible state, and it's obvious that there is some regular dumping going on in there. The large plastic toy car was still in fairly good condition and could still be used if it was cleaned up, so it was obviously dumped just because someone wanted it out of the way!! Unbelievable!! There was also a lot of littering, as we found lots of plastic drink containers, crisp packets and other sweet wrappers etc.

Thank you Linda and your team of volunteers.

Well done to Rosie Hortop and her friends for raising £233 in aid of the Macmillan Nurses at her coffee morning in the Council Chambers.

The Mayors Ball - Saturday 14th May at The Wardroom HMS Raleigh. Further details from Milly or Mike
