

Additional information regarding Anti-social Behaviour – for March 2021 Council meeting (Wednesday 10th March 2021)

Please see the attached crime figures for the last month.

As you will see from the attached report the crime figures within the area are still going in the right direction with only 21 reported in the previous 30 days (accurate at time of sending this email).

I have been made aware of concerns over Anti-Social Behaviour over the past weekend at THE LAWN. Police are aware of the concerns raised and requests have been made for extra patrols of the area. Police did attend one report and a crowd were dealt with and dispersed. If any further reports are received by Councillors could I please ask that they are reported through the Devon and Cornwall Police website – REPORT A CRIME. <https://services.devon-cornwall.police.uk/crimereporting/>

Many thanks
Steve
