European Sites Supplementary Planning Document

26 March 2021

Dear Consultee,

European Sites Mitigation Supplementary Planning Document (SPD)

Cornwall Council is publishing the following document for a four week consultation period between Friday 26th March and 5pm Friday 23rd April 2021.

Adoption Draft European Sites Supplementary Planning Document

The SPD is linked to Policy 22 of the [Cornwall Local Plan](#). Plans and policies must not harm the special features of a European site. Habitats Regulations Assessment of the Local Plan concluded that there could be harm to some European Sites in Cornwall due to increased recreation as there will be more people living in Cornwall and so numbers of people using the sites are likely to go up. The SPD sets out a strategic approach to the provision of mitigation and monitoring for increased recreational impacts on designated sites, with a programme of measures and a scale of contributions from development. This makes it easier for developers to make sure that their proposals will not harm a European Site and means that we can use the contributions to help protect the sites.
