Subject: Community-led housing seminar - Wednesday 14th April

Dear colleagues,

Below and attached is information regarding our forthcoming seminar so that you can pass it on to parish and town councils which you think might be interested in joining us. It's free and as it will be via Zoom numbers are unlimited!

I am away on leave until 13th April, but please contact the team at info@cornwallcct.org if you require any more information.

From Vision to Reality: financing your community-led housing project

Our next Community-led housing Seminar will be on **Wednesday 14th April from 10.00 to 2.30** on Zoom.

With a focus on funding, we will have national speakers - including Charities Aid Foundation Venturesome, Charity Bank, Triodos and the Ecology Building Society - together with local organisations, amongst them Cornwall Community Foundation and Cornwall Council, explaining how to secure finance for each stage of a new community-led housing project, from inception through to practical completion.

There will be ample opportunity to quiz our experts and first-hand case studies of successful projects.

If you're unable to join us during the daytime on 14th April, we'll re-run much of the seminar on the evening of **Monday 19th April** with members of the CCLT team and some speakers available to answer your questions.

Many thanks.

Best wishes,

Pattie
