Hello

Cornwall Rural Housing Association (CRHA) provides good quality affordable housing in Cornwall and on the Isles of Scilly.

CRHA is governed by a voluntary board of management comprised of people committed to providing more opportunities for local people to access good quality homes at an affordable price.

CRHA is recruiting new members to join the board and we would be grateful if you could bring the attached advertisement to the attention of your local council members and to any members of the wider community who you think may be interested in helping us with our work.

Please contact us on info@crha.org.uk if you wish to have paper copies of the advertisement sent by post for display on local noticeboards etc.

We have sent this email to those addresses shown on the Cornwall Council website as contacts for town and parish councils. Please accept our apologies if you are no longer the relevant contact or if you receive duplicates .

- Building design, surveying, procurement
- Commercial experience, particularly in the housing development sector
- Social housing
- Planning
- Information Technology

We also welcome applications from CRHA tenants and anyone with relevant general experience.
