**Subject:** Bench at the reflection area

Good morning Milly

Cornwall Council have given permission to place a bench in the reflection area at Thanckes Park, would it be possible for Torpoint Town council to take it on as an asset and also bolt it to the concrete .

Christine Goodman said we can purchase a recycled plastic bench as this does not go against the plastic free policy we have signed.

The Lions have provisionally said they will purchase this for the Friends .

Many thanks  
Samm
