**Subject:** Let's Talk Homes - reviewing Cornwall Housing Strategy

Information Classification: CONTROLLED

*To: Cornwall Gateway Community Network Panel*

Dear all

Please see information below regarding a consultation about the Cornwall Housing Strategy.

***Let's Talk Homes***

*The homes we live in affects every aspect of our lives.*

*We are starting to review the current Housing Strategy for Cornwall. The Housing Strategy is a strategic partnership document and describes what our priorities will be for homes over the next five years and beyond. We want residents, stakeholder, organisations and anyone interested in housing issues to tell us what is important to them about homes in Cornwall. For example: What are your top three priorities when you think about future homes in Cornwall?*

*Please visit '[Let's Talk Homes](#)' and answer some key questions by Friday 18th June 2021. We will be adding other questions to this page to test the responses we get over the next few months and we will use these responses in preparing an initial draft strategy.*

*The initial draft Strategy will be formally consulted on during the summer months and then a final draft Strategy towards the end of the year with a view that this be approved at Council in April 2022.*

*Plans are being made to engage with Council Members through the Overview & Scrutiny function alongside colleagues in Planning Policy, Local Transport and Economic Development to ensure that all our emerging Strategies are consistent and complimentary.*

Kind regards

Lisa
