Hi Milly

I went to a meeting in the office on Friday and they said if the Town Council want to apply for the Kickstart scheme then you will need to apply now for an end of Sept possible start. It is now taking 2 to 3 months to go through for a decision and then we will have to find the right people for you.

If you would like someone to call you to discuss the process then let me know, we can also check the application before it goes off with the job specs to make sure it gets through the Board.

Regards  
Claire
