

Torpoint Town Council Web Site enquiry

Agenda 9. d. D+L

message : My husband and I enjoy walking in The Lawns usually ending up by the water. What would enhance this area would be 2/3 benches so visitors to the park could sit for a while and enjoy the view of the river. Would it be possible for the Town Council to provide 2/3 benches which could perhaps in the future be purchases by a member of the public as a remembrance bench.

Thank you
