# Homes for Locals

*Communities doing  
it for themselves*

**Wednesday 20th October**  
10.00 am - 2.30 pm

The latest in our series of seminars for community groups and professionals working to deliver permanently secure, affordable homes for locals. As the housing crisis deepens we want to help communities find practical solutions and to help tackle the growing housing need. This seminar will particularly focus on:

## **Finding and acquiring land and property -**

*critically important for community-led homes projects*

### **Key speakers from:**

- Homes England
- Cornwall Council (Homes Portfolio-holder, Planning, Property and Housing Departments)
- Landowners and land agents, including the Duchy of Cornwall and the Diocese of Truro
- Successful projects based in Bristol, Bridport, Dartmoor and Cornwall
