Subject: Clean Cornwall - Let's Talk Rubbish!

Hi everyone,

Apologies for the group mailout but I wondered if you would be interested in helping Clean Cornwall with a short survey.

I know you are all very savvy to the problems of litter given your involvement with beach cleans and litter picks – but the Let's Talk Rubbish survey will be used to capture a better understanding from Cornish communities on particular themes and problem areas. We will use this information to shape future campaigns and projects of Clean Cornwall so we know we are targeting the most urgent litter problems that our communities are facing.

Plus as a thank you for your time, our generous partners have donated some fantastic prizes that are up for grabs.

Read more here and please share with your members, followers and friends...

Why should you do the 'Let's talk Rubbish' survey?

- The survey is short and will take 5-10 minutes.
- There are great prizes to be won, including: a one night's stay at a [St Austell BnB](#); a one night's stay in a Rick Stein's Shepherd Hut with a class at [Rick Stein's Cookery School](#).
- This is an opportunity to share your views on litter and waste
- And help us move towards a cleaner Cornwall for everyone to enjoy!

The results of this survey are important - your voice will help us target campaigns and projects on current and urgent issues that our communities are facing. We believe we can live in a litter free Cornwall. Please help us achieve this by sharing and participating in the survey: <https://www.surveymonkey.co.uk/r/letstalkrubbish>

How can you help us promote the survey?

- Share with your friends, in your newsletters, with your members/staff etc.
- Share the survey on Social Media platforms, e.g. [our Facebook post](#), [Instagram](#) and [Twitter](#).
- Download the attachments to print our poster, or to use images for sharing online. If you can help by displaying posters, feel free to print, or we can send you some (let us know!)

Thank you in advance for your help and if you have any questions at all, please feel free to give me a shout.

Best wishes,
Natalie.
