09 November 2021

Dear Milly,

With reference to your e-mail regarding financial assistance to our Sports Network dated the 5th November. This is to confirm that the project for the all-weather pitch is still live, and the financial support from the Council is still requested. We have for some time obviously been hampered by the Pandemic, although during this time meetings have taken place and attempts made to establish additional funding. We are at the present time are in discussion with the Football Foundation, YMCA and the Community College. This is to once again to apply for Planning Permission in conjunction with the College and the Football Foundation, which in turn will provide the necessary structure for additional support funding. We would like to thank the Council for their support for the project and can be assured of our continued commitment in providing this much needed facility for the Town and wider community.

Yours sincerely
