**Members can sign up for this service by initially completing an Access Form found on our website.** This asks them to let us know their email address along with some personal information. This is so we can add their email address to their pension record and send them an invitation to register for the member self-service.

The member will then receive an email invite to register for My Pension Online.

We have added links to the My Pension Online webpage at various prominent locations on our website however, we also **encourage you to promote this member self-service facility to your members.**

We have attached a couple of PDFs/posters to this newsletter which you are welcome to display or send electronically to your members to encourage them to sign up for My Pension Online.

You may wish to include a “call to action” in your induction process for new starters to sign up to My Pension Online.

You could also utilise your intranet space to inform members about My Pension Online.

To assist members throughout the signing up and registration process, there is a “Getting on My Pension Online” step by step guide within the My Pension Online area of our website.
