hi Milly,

I've been supporting FoTP since the Spring and now on the committee. I've volunteer to lead on thinking around enhancing the skatepark. Sam suggested i make contact and link up, maybe worth a coffee and hello.

I run Fotonow CIC in Plymouth ([www.fotonow.org](http://www.fotonow.org)) in Plymouth (where we live) and we enrolled our two boys into the schools in school in Torpoint last year - we're looking to try and move across to the town as soon as possible.

Anyway... keen to chat more... skatepark and possibly more...

best

Matthew
