Torpoint Town Council Web Site enquiry

message : Hello Milly, please can you put my enquiry forward to be discussed by the Council.

With Millbrook parish Council getting an EV Charging point through grants, would it be possible for the Torpoint Town Council to provide some access to Public Electric Vehicle Charging for the residents of Torpoint?

Not everyone in Torpoint has a driveway or access to fit charging points where they live.

The car park at Thanks Park would be an ideal location, but anywhere's better than nowhere.

We are getting FTTP Broadband why not public charging points. We need to provide the infrastructure for our greener future to be more viable.

Thanks very much in anticipation.
