Good afternoon to you,

I wanted to introduce you the People Hub.

Our project is in two parts , one being we help support unemployed people and the other part is we help to upskill employed people.

We can offer fully funded training.

[www.peoplehub.info](http://www.peoplehub.info)

We are starting to promote sectors with fully funded courses and the first sector we have picked is Tourism . With this in mind I am attaching a poster and was hoping you could promote this to people in your parish . This offer is available to all in Cornwall and the Isles of Scilly.

I work on the Skills for Growth project and this helps employed people upskill themselves through accredited funded training. We can fund most things.

To join the Skills for Growth project , you only have to prove you live in Cornwall or the Isles of Scilly and that you are employed here, this includes being self-employed.

If you would like, I would be more than happy to arrange a call with you to discuss further.

Thank you for your help

Kind regards

Clair
