Dear Sirs.

I wrote to you some time ago regarding the problem of mobile homes parking in the bay outside my house, in the day and the night.

A gentleman called in response to my letter to say that you were looking to see what could be done.

That was the last I have heard from you. The problem continues.

If the bay is full of cars the homes park on the grass verge. This blocks the verge and dog walkers are forced onto the road. I can only see the situation getting worse.

I would like a positive response from my town council and some action taken to eliminate this menace.

I look forward to you reply.

Hugh. M. Napp.
