Mrs Margaret Coombe  
17 King Street  
Torpoint PL11 2AT

To Torpoint Mooring Association  
cc. Torpoint Town Council

Dear Sirs,

I wish to complain about the small boat moored off the steps to Macey Street. THIS year it is being lived on by a man and woman. The boat looks a mess full of rubbish and the woman sits in the back of the boat all day in the full sun. They also use a larger yacht moored in the river - also owned by same person. When they use that yacht they come ashore at low tide walking thro' the mud leaving their rubbish in carrier bags on the mud in the river for the tide.

Last year the boat moored against the wall was lived on by a man who was dealing drugs, several times police visited the boat, and called on me to ask when he would be there?? They finally caught up with him and he was arrested, taken away in handcuffs and was held at my front gate while the police asked me identify him. I do not want to be involved in any of these goings on and fail to see why Torpoint water front wall moorings in a residential area is a place for a "house boat" and the mess and use of the nearby shrubs as a toilet is not acceptable. Does the owner of these boats have permission to carry on this business?

Yours faithfully

Margaret Coombe
