Good afternoon Millie

To keep you in the picture re the above funding, Matthew Pontin has submitted the application for the Commissioners Community Grant Scheme on behalf of FOTP. If we are successful we would use the money to develop some outreach with young people (13-21), which if successful can link to consultation on plans for a better skatepark for Torpoint. Matthew has written a very open application for some detached youth work and three trips to other skate parks for feedback, totalling £2,500. If you have any questions please feel free to get in touch with Matthew; he's now living in Torpoint and keen to help enhance opportunities for fundraising and youth work in the town. We'll update TTC on the funding decision, however if we are unsuccessful the core elements of the application could potentially be something TTC might want to fund.

Kind regards
