Subject: Dementia Friendly Communities Guide and Survey

Information Classification: CONTROLLED

Dear All -

In 2020 NALC published a **Dementia-Friendly Communities Guide** aimed at providing a framework of knowledge, ideas and recommendations to enable local councils to engage and support people living with dementia and their families. The Guide can be accessed here: (<https://www.nalc.gov.uk/library/our-work/health/3355-dementia-friendly-communities/file>).

NALC is now hoping to produce a short briefing report in conjunction with Prof. Ian Sheriff of the University of Plymouth in the second half of this calendar year – based on the results of an ongoing survey around Dementia Friendly communities and use of the Dementia Friendly Communities guide.

If you would like to complete the survey it can be accessed here: (<https://www.surveymonkey.co.uk/r/NZYJHHD>)
The survey ends at **23:45 on 30 September**.

Many thanks
