Subject: Cornwall Air Ambulance Grant

Good Morning

Thank you very much to Torpoint Town Council for supporting Cornwall Air Ambulance. With this kind donation of £500.00, we can keep your helicopter and critical care paramedics flying across Cornwall and the Isles of Scilly, saving lives and giving people the best possible chance in their times of need.

You may be interested to know the crew responded to 733 incidents in the helicopter and 359 in the rapid response vehicles in 2021. Of these missions, 551 were to people injured in trauma-related incidents and 534 were in response to medical emergencies. Throughout the year, the critical care team carried out a total of 12 blood transfusions at the scene of an incident.

Tim Bunting, Chief Executive of Cornwall Air Ambulance, said: *“This is the first year the charity has carried blood on board the aircraft, allowing the crew to administer lifesaving transfusions at the scene of an incident. It is amazing to see the difference it has made to patient outcomes, ensuring more seriously sick and injured patients can reach hospital for further treatment.*

“Reaching hundreds of seriously sick and injured patients every year is only possible with the support of the people of Cornwall and the Isles of Scilly. Yet again our supporters have shown an immense love for Cornwall Air Ambulance through their incredible generosity, and I would like to thank each one of you for ensuring the helicopter keeps flying.”

Kindest Regards
Bobby
