RE: Accident at Antony

Hi Milly

I know Mike spoke to you yesterday but it was later that I was absolutely shocked to learn the full extent of the accident at Antony.

We were both aware a 19 year old had died assuming it was the driver but to learn it was a passenger and a second passenger is seriously hurt and in hospital plus [REDACTED]

Months ago Mike got the agreement of all councils along the 374 to have the speed limit reduced to 50 from 70 to try to reduce the carnage on this stretch of road from Torpoint to Trerulefoot. How could T T C have allowed the extension of the 30 limit to not go beyond the turning to the Grave Yard. Everyone knows just how dangerous that short stretch of road is does the T T C have no influence at all when it comes to road safety. Millbrook seem to far more on the ball than our council when taking steps to reduce speed.

Please let us know the outcome of the councils meeting the head of Cornwall council

Best regards
Pamela
