Dear Milly,

We have had a request from a committee member on behalf of residents in the Millbrook Area, for a bus shelter to be erected opposite Sainsbury's in Torpoint and it has been suggested that I write to Lee Quinney at Cornwall Council about this, which I am happy to do as I think there is a need for such a shelter and would support the proposal. However, I appreciate that this is a matter for Torpoint Council to deal with initially so I would ask for the Council to please give due consideration for the erection of such a bus shelter opposite Sainsbury's. I would think that there is a definite need for a shelter at this exposed location for passengers returning after shopping in Torpoint on the Nos. 70/A/B & 75 Bus Services to most of the Torpoint & Rame Peninsula Area & beyond. I think there is also a danger in inclement weather for passengers together with their shopping bags etc; to use the bus shelter on the Sainsbury's Side of the Antony Road & then risk crossing the busy road with ferry traffic, when the bus is sighted.

Upon further enquiry I have not been surprised to learn that the matter has been previously discussed by Torpoint Town Council, but that unfortunately there were reasons (not known) for not proceeding further at the time. We hope however, that this could be looked into again with the view of possibly finding a way forward. If it is thought that there is insufficient room for a bus shelter on the pavement opposite Sainsbury's, then would it be possible for it to be located a bit further up the Antony Road by the shop

Development of a bus lane
Committee
on the corner of York Road?

Many thanks & best regards,

Geoff. Cadwallader
Chairman, Rame Peninsula Public Transport Users Group.

Thanks Margaret

It might be worth asking Geoff to contact Lee Quinney at CC and see if he can get it on his list.

Thanks

Kind regards
