Information Classification: CONTROLLED

Dear All

### How can local councils and councillors get involved in local housing provision?

CALC is working with partners including Coastline Housing to bring you a community housing information event exploring the role of Town and Parish Councils in local housing provision.

Talks, presentations, workshops and exhibitor stands will answer councillors' questions.

This free event will focus on example schemes from across the County and bring together experts in the housing sector with councillors from existing schemes to examine the possibilities, opportunities and challenges for community-led schemes, and look at the different kinds of schemes available for communities to explore.

**Date: Wednesday 19 April 2023**

**Time: 4pm - 8pm**

**Location: Chi an Bobel Conference Centre, Heartlands, Pool, Redruth, TR15 3QY.**

Councillors and Officers welcome.

You can see more details of this event and let us know if you would like to attend here (spaces are limited):
