Good afternoon,

I would like to update you on our move from St James Church hall to new premises.

We are now renting premises below Sails Direct Near the ferry lanes. This week we are renovating and stocking with all we will require. We hope to open there very soon. Once we do open we would like to invite you and the Mayor to come down and see what we can now offer to those in need in the Torpoint area.

I will be in touch again soon.

kind regards,
