Subject: FREE CPR & DEFIBRILLATOR SESSIONS FOR LOCALS- FREE VENUES REQUIRED

FREE VENUES REQUIRED FOR FREE CPR & USE OF AN AED SESSIONS FOR THE LOCAL COMMUNITY TO KEEP FUNDS AVAILABLE FOR LIFE-SAVING AEDS

Good Afternoon,

I hope you're well?

Cornwall Training & Consultancy is delighted to announce our new partnership with FLEET, Front Line Emergency Equipment Trust, who provide most of the community defibs in Cornwall. Through this partnership, we will be offering free CPR and AED sessions for the whole of Cornwall so that everyone can learn lifesaving skills.

This will be a great opportunity for the local community to learn these lifesaving skills at no cost. We will be covering CPR and how to use a Defibrillator (AED).

We are currently looking to find venues to use around the county that may be willing to let us use their venues to host these sessions for free? Each booking will be no more than 2 hours, with two sessions running during this time. These events will be open to anyone living in your area who would like to attend this training.

We are hoping to run these sessions over evenings or weekends so that more people can attend.

Please could you let us know if you may be able to provide us with a venue or if you have any suggestions for local venues?

When we have dates arranged, we will send you more information on when and where the sessions will be. Once this has happened, we would also appreciate any support with circulating the message with the local community.

If you have any questions, please let us know.

We hope to speak with you soon.

Kind Regards,
Cornwall Training & FLEET

Amy Crawford
