

Hi Milly,

With regards to the Cream Tea afternoon, we actually incurred no costs due to donations from local businesses and other people. We made £275 profit from the afternoon to be split between Ernie and Lucas for their fundraising. Thank you once again to Torpoint Town Council for the free hire of The Council Hall for the afternoon. I will pay the £10 admin fee today.

I have attached a few photos of the afternoon, thank you.

Suzanne
