2. Matters arising from the minutes.

3. Report from the Town Mayor covering the activities of the Town Council.

Following the devolution of the four play parks (Thanckes Park Play Park, Borough Play Park, Chestnut Close Play Park, Cambridge Field) and tennis courts from Cornwall Council, over the past 12 months all of the parks have seen improvements made, including the installation of signs and benches. Cambridge Field has benefitted from significant investment into new play equipment and all of the play parks have already seen increased usage. Improvements to the fencing surrounding the tennis courts have been undertaken, it is hoped usage of the courts will now increase.

The Library and Community Hub has continued to go from strength to strength, with the footfall of visitors and number of activities increasing all the time. I am delighted to advise that everywhere I visit, I receive compliments regarding the Library and Community Hub, congratulations to all those involved.

Following the motion passed by the town council to declare a climate emergency, the council is committed to developing a climate emergency action plan; the Torpoint Environmental Action (TEA) initiative, which aims to get volunteers in the town to support in litter picking and other activities, is continuing to be a success.
