Dear Customer

Notification of Changes to your Gas Charges from October 2023

The national gas transporter, National Grid Gas, has announced an increase to the General Non-Transmission Services Commodity Charge ('NCO') from the 1st October 2023.

These changes to your rates will be effective from 1st October 2023. Below is a list of your affected contract(s), together with the associated changes.

It has never been more important to be billed accurately for the energy you consume, if you do not have an AMR or Smart meter, please submit a monthly read on our website www.coronaenergy.co.uk/submit-meter-reading/ or on our online portal myCorona.

For further information, please go to our website www.coronaenergy.co.uk. Alternatively, you can call us on 0800 804 8589.

Yours sincerely
