Many thanks to the team that have given the path its second cut. It's great and I can't remember it as wide.

I know this is nothing to do with the council but perhaps some pressure could be brought to bear on Antony Farms/Estate about the run off of vegetable peeling water that makes the second dip a bog. It also stinks. Even a decking pathway over it would help.

Many thanks again for the cut.

Best wishes to all
Dave Combellack.
