Hello Milly, thanks for your call last week.

③ I'm concerned that we still have not received a breakdown showing the scoring for the tender return....surely that cannot be a difficult thing to produce?

Has the "standstill" period for the project ended yet, and have you commenced the appointment?

Thanks

Dear Milly

1

Many thanks for your letter.

Obviously we are very disappointed!

Could you please forward the detailed breakdown of the scoring so that we can better understand how the scores were allocated?

Many thanks
