Subject: Brief informal Virtual meeting request. Safety Improvement/Speed Limit Reduction A374.

Dear All,

Sheviock Parish Council is contacting all Parish Councils along the A374 (Torpoint Twisters), to request their support in the aim of improving road safety/reducing the speed limit to 50mph (to match that along the A38).

We are suggesting an initial, brief, virtual meeting, to discuss the way forward/potential of feasibility study.

If possible we would seek a representative from each Parish Council and are proposing the initial date of Tuesday the 20th of February, circa 1:30pm (times/date can change subject to your availability).

I would be grateful if you could respond stating your interest/availability either way, so that I can create a virtual meeting invite/agenda.

Please note: This has been sent to St Germans Parish Council, Antony Parish Council and Torpoint Town Council.

Kind regards,
Nancy

Mrs Nancy Gray
Clerk to Sheviock Parish Council

Dear Nancy

My members do not support the expenditure that it would cost to install and police a 50mph speed limit; their experience is that there is very limited overtaking places on this piece of road and with a lot of slow moving traffic (lorries, tractors etc), my experience is that traffic is often reduced to under 40mph. So do not wish to attend any meetings on this subject.

Kind regards,

Mrs Caroline Allen
Antony Parish Clerk
