## Torpoint Library and Community Hub

### Thank you

This February we were privileged to welcome just over 4,300 of you through the door. Thank you for your support.

### Free soup Friday

Every Friday throughout February we have been able to make and serve free soup. This is only due to ingredients provided by Coop, SE Cornwall Gleaning Network and Marvellous Weighs our local veg shop, thank you all.

Free soup Friday

### Sustainable Sunday

Our long standing Sustainable Sunday with Torpoint Environmental Action has been running over January and February but will have a break in March due to how Easter Sunday falls. We will be back in April with the start of our wonderful Street Market.

## Half-term Fun at Kids Club

Our free Kids Club events are becoming even more popular.

Over the week we held activities each day. The Monday saw us joining Friends of Thanckes Park in the sunshine hunting for beasties and looking at them under a microscope. We also teamed up with Vivo and Co. for some activities at our Armed Forces support event. Our most popular session was by far Lego club where more marvellous creations were made. This is also each Wednesday from 1530 - 1700 term time.

## Autism Training with the Library Service

Jes the Library and Community Hub Development Manager and Milly our Town Clerk were lucky to join other Library teams for a day in Bodmin. After some inspirational training we talked Library business such as stock management and met a few new team members.
