Dear Participant

RE: D-DAY 80 FLAG OF PEACE

As we get closer to the 6th June, we hope you are looking forward to your important involvement in D-Day 80, using this unique opportunity to pay 'tribute' to the many thousands that landed on the five Beaches in Normandy, that paid the ultimate price fighting to secure the freedom we all enjoy today, along with those that returned home badly wounded too.

Below, you will see we have added another simple and cost-effective way for communities, churches, schools, town, village and city halls etc, to name but a few, to be involved in the Commemorations at 9am on 6th June, by raising a "D-Day 80 Flag of Peace"

They come in various sizes and are of good quality.

Please be kind enough therefore to circulate this email and its attachment to all areas of your community you feel would like to become involved in D-Day 80 by flying one of these Official flags.

My warmest regards to you and your team.

The D-Day 80 Flag of Peace

The Nation will come together at 9am on 6th June to raise the D-Day 80 Flag of Peace and start a day of commemorations, on this the 80th Anniversary of D-Day, Worldwide.

Flags will fly across the Nation as we remember Operation Overlord which brought together the largest naval, air and land operation in history, and remember over 209,00 casualties.

From Government, Civic Authorities, Municipal, Borough, City, Town and Parish councils, Schools, Churches, Businesses, Associations - anyone and everyone is encouraged to fly the official 'Day Day 80 Flag of Peace'

To make this event as inclusive to as many people as possible, especially in these current economic times, we have put together a range of different sized flags to cover all budgets.

These flags are fit for purpose and you can choose either a traditional rope and toggle fitting or an eyelet fitting.

Each order will be dispatched with a Certificate of Grateful Recognition for taking part in D-Day on 6th June 2024
