**Date:** 27<sup>th</sup> February 2024

Dear Sir/Madam

## Cornwall Gateway Community Network Panel (CNP)

Cormac Solutions Ltd, on behalf of Cornwall Council, are inviting comment on proposals for infrastructure improvements within the Cornwall Gateway Community Network Area.

Details of the proposals are as follows:

**Albert Road, Saltash** – extension of the No waiting at any time restrictions on Albert Road. Vehicles often straddle the footway, which obstructs access for pedestrians and for vehicle movements when this type of parking occurs. Refer to Site Notice Infra22-178\_SN01 for details.

**Vicarage Road, Torpoint** - introduction of No waiting at any time restrictions to prevent parking on the junction between Vicarage Road and St James Road and in the proximity of the access to Torcare Nursing Centre. This proposal aims to address lack of visibility for vehicles approaching the bend and for those egressing from Torcare car park. Refer to Site Notice Infra22-178\_SN02 for details.

**Fourlanesend School** – introduction of an advisory 20mph speed limit outside of Fourlanesend School and a 40mph buffer zone on the B3247 approach to the school from Millbrook. This proposal aims to reduce vehicle speeds to address concerns raised around pedestrian safety, in particular for children walking to/from the school. Refer to Site Notice Infra22-178\_SN03 for details.

**Wilcove** – The village is currently subject to a national speed limit. This proposal introduces a 20mph speed limit which is deemed appropriate and in line with Cornwall

Council criteria due to the level of development and narrow nature of the roads through the village. This proposal also includes an extension to the existing 30mph speed limit from the A374, along Pengelly Hill, to the village boundary. Refer to Site Notice Infra22-178\_SN04 for details.

This scheme also includes the formalisation of existing Disabled Parking Bays at the following locations, to ensure these are legally enforceable:

**Arthur Terrace, Torpoint.** Refer to Site Notice Infra22-178\_SN05 for details.

**Tavy Road, Saltash.** Refer to Site Notice Infra22-178\_SN06 for details.

**Beatrice Avenue, St Stephens, Saltash.** Refer to Site Notice Infra22-178\_SN07 for details.

**Sconner Road, Torpoint.** Refer to Site Notice Infra22-178\_SN08 for details.

**Clinton Terrace, Millbrook.** Refer to Site Notice Infra22-178\_SN10 for details.

**Peacock Avenue, Torpoint** – removal of an existing Disabled Parking Bay outside No 3 as it has been reported that it is no longer required. Refer to Site Notice Infra22-178\_SN09 for details.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

**22<sup>nd</sup> March 2024**

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation Finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting [www.cornwall.gov.uk/TrafficConsult](http://www.cornwall.gov.uk/TrafficConsult). Once registered you will be able to submit responses to this and other current traffic consultations.
2. E-mail Infrastructure Design at [traffic@cormacltd.co.uk](mailto:traffic@cormacltd.co.uk), quoting the scheme name and reference, and indicating your support or objection (with reasons) to the proposals.
3. Respond in writing using the attached Consultation Response Form, indicating your support or objection to the proposals. Please return the form to the address shown at the foot of it.

If you wish to discuss any aspect of this scheme, please do not hesitate to contact me.
