**Subject:** Re: Land next to Thanckes Drive

Good Morning,

I hope this email finds you all well. I am writing to inquire about the status of the tree maintenance in our area, particularly regarding the safety concerns I have previously raised.

Yesterday and again this morning, there has been tree debris falling close to our vehicle. These occurrences have been becoming more frequent and concerning. I am worried about the potential risks these incidents pose to pedestrians, property and vehicles in the vicinity.

Given the situation, I would greatly appreciate an update on the plan and any measures being taken to ensure the safety of the community. Prompt action on this matter is crucial to prevent any accidents or damages.

I look forward to your response and the reassurance that appropriate steps are being taken to address this concern.

Thank you for your attention to this matter.

*Ellie Stentiford*
