INTRUDER ALARMS - FIRE ALARMS - CCTV SYSTEMS - ACCESS CONTROL

Mrs Milly Southworth
Torpoint Town Council
Council Chambers
1-3 Buller Road
Torpoint
PL11 2LD

Dear Mrs Southworth

I am writing to you personally to advise that the time has come for me to stand down as the Managing Director of ASG Security and pass the responsibility to Unique Fire and Security Ltd, who like ASG, is a family-run regional security company with the same ethos and principles as ASG including providing a personal service to all of my valued customers and staff.

You will still have the same engineers as you are used to and I will be in the background for a few months of my retirement should I be needed by you, my valued customer, the engineering staff or indeed Unique Fire and Security.

I believe that Unique Fire and Security can add value to ASG and maintain the service that ASG has provided over the last 33 years and drive the company forward.

Many of my long-standing customers have become friends and a lot more of you are close acquaintances, hence I was very selective in who could take on ASG and maintain the standards and in some cases improve the standards you have come to expect.

I would like to say a very personal thank you for entrusting all your security needs with me and ASG Security whether it is intruder alarms, fire alarms, CCTV or access control it has always been very much appreciated.

May I wish you all the very best for the future and again thank you for your support over the years we have worked together.

Yours sincerely

Martin Singleton

TRURO OFFICE: UNIT 36, THREEMILESTONE INDUSTRIAL ESTATE, TRURO - (01872) 222999

Dear Customer,

My name is Craig Moore, and I am the Commercial Director of Unique Fire and Security. I am delighted to announce that as of April 2nd, 2024, Unique Fire and Security has acquired ASG Security.

Firstly, Bradley and I want to express our gratitude for the warm welcome we have received from Martin Singleton, the former owner and operator of ASG Security. Martin's dedication and expertise in the Fire and Security industry in Cornwall and Devon have been commendable, and we are honoured that he has entrusted us with his beloved ASG brand.

At Unique Fire and Security, we are committed to upholding the legacy of excellence that ASG Security has established over the years. Our decision to acquire ASG Security aligns with our strategic goal of expanding our presence in the South-West region, particularly in Cornwall.

Our business shares the same family values that ASG have always had and as a family-run business with Bradley Williams as our Managing Director. We will be keeping offices and staff in Devon and Cornwall and the phone numbers will remain the same along with many of the staff.

We are excited about the opportunities this acquisition presents for both our companies and, more importantly, for you, our valued customers. Our plans for the company include continuing to serve you with the same dedication and professionalism you have come to expect from ASG Security. Additionally, we aim to enhance our service offerings and provide comprehensive solutions to meet all your fire and security needs.

I am pleased to inform you that all ASG engineers will be staying on board to ensure a seamless transition and continuity of service. Furthermore, Martin Singleton will remain with us in a consultation capacity, offering his invaluable insights and support as we embark on this new chapter together.

We are committed to earning your trust and confidence as we move forward. Please do not hesitate to reach out to us with any questions or concerns you may have during this transition period. Your satisfaction remains our top priority.

Once again, I extend my warmest greetings to you as we begin this journey together. Thank you for your continued support.

Kind Regards,

Craig Moore
Commercial Director
