June 2024

PCSO Bex Steed was invited to attend Liskeard Youth Council to learn about Mikes Trust as part of Op Sceptre.

Mikes sister Becky talked to the group about knife crime and the impact it can have. Becky gave a very moving talk about her brother Mike who was killed in Bodmin last year due to a knife incident. Mikes family are

working to raise awareness of the impact of knife crime and how young people are affected and what they can do to reduce the risk. Becky informed the group of a site aimed at young people for them to use anonymously to report concerns around knife crime and other concerns they might have, this can be found at Fearless which is part of crime stoppers. There is lots of great advice for young people on the Fearless fb page and worth encouraging young people to look at it. Thank you for sharing your story.

Liskeard Rural Team have the following surgeries coming up.

PCSO Bex Steed has been presenting assemblies to students at Liskeard school about the dangers of

sending indecent images and how to deal with it should they find themselves

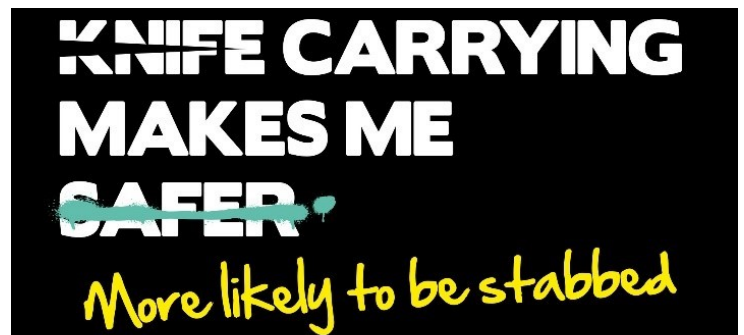

involved. There is lots of guidance on the NSPCC website and information for

parents/carers to help support and educate people they care for including how to try and get images removed [NSPCC](https://www.nspcc.org.uk). Posters will soon be available including a QR code that can be scanned by anyone needing advice. Remember, If anyone asks you for indecent images SAY NO, DONT SHOW!! Your Police have shared information about carrying a knife and the law and why you shouldn't carry a knife.

If you have concerns about someone carrying a knife, please tell a trusted adult or report to us via: [#Sceptre](https://orlo.uk/YALaY) <https://orlo.uk/RVmaC> (@[yourpolice.uk](https://www.yourpolice.uk)) • Instagram photos and videos

Dear all,

We would like to give a huge thank you to the staff and event organisers who invited us to attend the Green Man weekend at Mount Edgcombe over the Bank Holiday weekend.

It was a great event, we had a very enjoyable time meeting and talking to so many people. Even the weather on the Sunday did not spoil the atmosphere.

Regards

Hayley and Sid.

Getting in touch.

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which look like they should be police matters, but which are actually dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more. To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.
