Torpoint Archives Celebrate 30 Years!

On Thursday 25th April Town Mayor Councillor Gary Davis and Town Councillors hosted a reception for Torpoint Archives to celebrate their 30th Anniversary. Memories were shared with volunteers and council members, a cake was cut and The Archives launched their new book "Torpoint Lost Terraces."

The Mayor gave a speech, which included:

"Recognition for Jack Kingston with Pat and Freda Manning who were the visionary founders of the Archives and who believed in the power of preserving our heritage. They spent countless hours pouring over old photographs, handwritten letters, and fragile documents, piecing together the tapestry of Torpoint's narrative.

The Torpoint Archives now resides within the very heart of our community at Torpoint Library and Community Hub. In recent years, the Archives has embraced the digital age. Thanks to the dedication of volunteers, they have built a robust presence on social media, with the largest Torpoint based group of over 4,700 members on Facebook.

The regular posts and threads, have allowed stories to be retold and memories recounted and this has allowed Torpoint residents to connect across generations and continents.

On behalf of the entire Town Council and the community, I extend my deepest gratitude to your volunteers. Your selflessness, your passion, and your love for Torpoint have shaped the Torpoint Archives into what it is today, a living testament to our shared journey. May your dedication continue to inspire future generations.

Thank you Torpoint Archives - Happy 30th Anniversary!"

Torpoint Town Council

On Thursday 9th May 2024 Torpoint Town Council celebrated its 50th Anniversary during the Annual Town (Parish) Meeting for Torpoint. Former Mayors, their consorts and members of the public were all invited to attend.

Town Mayor Councillor Gary Davis and Councillor Julie Martin shared anecdotes from the Town's history followed by updates on all of the projects that will be shaping the future of Torpoint. Members of the public were invited to share their memories and stories, ask questions and provide feedback.

The event was a great success, thank you to everyone involved.

MAYOR CHOOSING

Torpoint Town Council's Annual Meeting and Mayor Choosing Ceremony was held on Thursday 16th May in the Council Hall, Torpoint. The Town Clerk directed the proceedings.

The retiring Town Mayor Councillor Gary Davis reviewed his year of office, which included thank you presentations. Councillor Gary Davis was re-elected to serve as Town Mayor for the civic year 2024-25. He signed his Declaration of Acceptance of Office in front of honoured guests, Councillors and residents of the town.

Honoured guests, included: Sheryl Murray MP and Freeman of Torpoint Mike Pearn MBE. Councillor Davis re-introduced Mrs Victoria Davis as Mayoress and Master George Davis as the Town Mayor's Deputy Consort. Councillor Kim Brownhill was elected to serve as Deputy Town Mayor and has chosen to

request fellow councillors to accompany her to civic events. Rev. Jo Northey will serve as the Mayor's Chaplain. The Town Mayor raised a glass, drinking a toast to the "Town of Torpoint."

Thanckes Park Tennis Courts Reopens!

Park tennis courts in Torpoint have been officially reopened after a £60,000 renovation, managed by the LTA and Torpoint Town Council with funds from DCMS within UK Government, LTA Tennis Foundation, Torpoint Town Council and Local Donations.

Tennis courts Thanckes Park hosted a ceremony attended by Town Mayor Councillor Gary Davis, along with representatives from the LTA, Town Councillors and Cornwall Council.

There was an opportunity for people from the local community to pick up a racket and get on court and try the tennis courts for the first time. Refreshments were provided in Bénodet Park, which included a fantastic cake courtesy of CornishPod, with help from Print Options and Awenek Studio CIC.

The courts have undergone extensive work to ensure viability for years to come, including resurfacing, repainting, new nets and gate system. An appropriate accessible pathway has also been installed to court 1 to enable wheelchair users to enjoy games of tennis.

This nationwide programme of investment is seeing thousands of existing park tennis courts in poor or unplayable condition brought back to life for the benefit of communities across the country, providing vital opportunities for children and adults to get active.

The tennis courts are available to book via the QR code above. New booking systems and gate access technology means it is now easier to get on court by booking in advance to guarantee availability.

The courts have an affordably priced annual pass (£35 per household per annum with no further charge) or a one off price of £6 to book a court. The income is secured to ensure that the courts are maintained at their new high standard for years to come.

Various organisations have financially supported these improvements including, Friends of Thanckes Park, Devonport Royal Dockyard Sports and Social Fund, The Rame Group Practice, Torpoint Street Markets plus Cornwall Council.

Thank you to St. Columba Rugby Trust for providing free tennis sessions on Tuesday evening's from 6 – 8pm, funded by local business partners and using equipment donated by their charity.

Former police station works

Work to demolish Torpoint's former police station has started, with housing and a community hub set to be built in its place.

The work is being led by Cornwall Council in liaison with the Torpoint Town Team Project Board, whose members include Cornwall Councillors, town councillors, Antony Estate, business and voluntary sector representatives, also representatives from the Neighbourhood Plan steering group.

The plans for the new development are currently being finalised, and will be subject to a public consultation before work begins on the new construction.

The demolition work is expected to last for around three months, but will not interfere with any ferry operations during this period. Cllr Olly Monk, Cornwall Council portfolio holder for housing and planning said:

"We are pleased to be working alongside Torpoint Town Council and other partners on a project that will revitalise the town centre through the creation of new homes, new commercial and community space, public realm and a better connectivity between the existing town centre and its waterfront."

"It is so important that we continue to identify these opportunities for projects that will truly benefit communities across Cornwall."

Councillor Gary Davis, Torpoint Town Mayor member of Torpoint Town Council and Chair of the Town Team Project Board, said:

"The Town Team Project Board is excited to be working towards the redevelopment of Torpoint's former police station with Cornwall Council."

"Our vision is to transform this unused site into a vibrant community hub that will benefit residents and visitors alike; and will include as part of the wider Lower Fore Street development opportunity, 35 new homes. By repurposing this space, we are not only revitalising the area but also creating opportunities for social interaction, employment learning, and growth."

"Our commitment is to keep any disruption during the demolition work to a minimum. We understand the importance of clear communication and will ensure that any necessary road closures are well publicised in advance."

"Together with Cornwall Council and Torpoint Town Council, we are proud to bring this project to life, contributing to the betterment of our community."

PLEASE BE VIGILANT- ROGUE TRADERS

We have had several reports of rogue traders cold calling people in the area. Rogue traders are skilled in manipulating circumstances and often use deceptive tactics to charge high prices for a poor standard of work. Rogue traders offering gardening services have been targeting local communities, however please remain vigilant of rogue traders offering other poor quality services including building services, plumbing, roofing and cleaning.

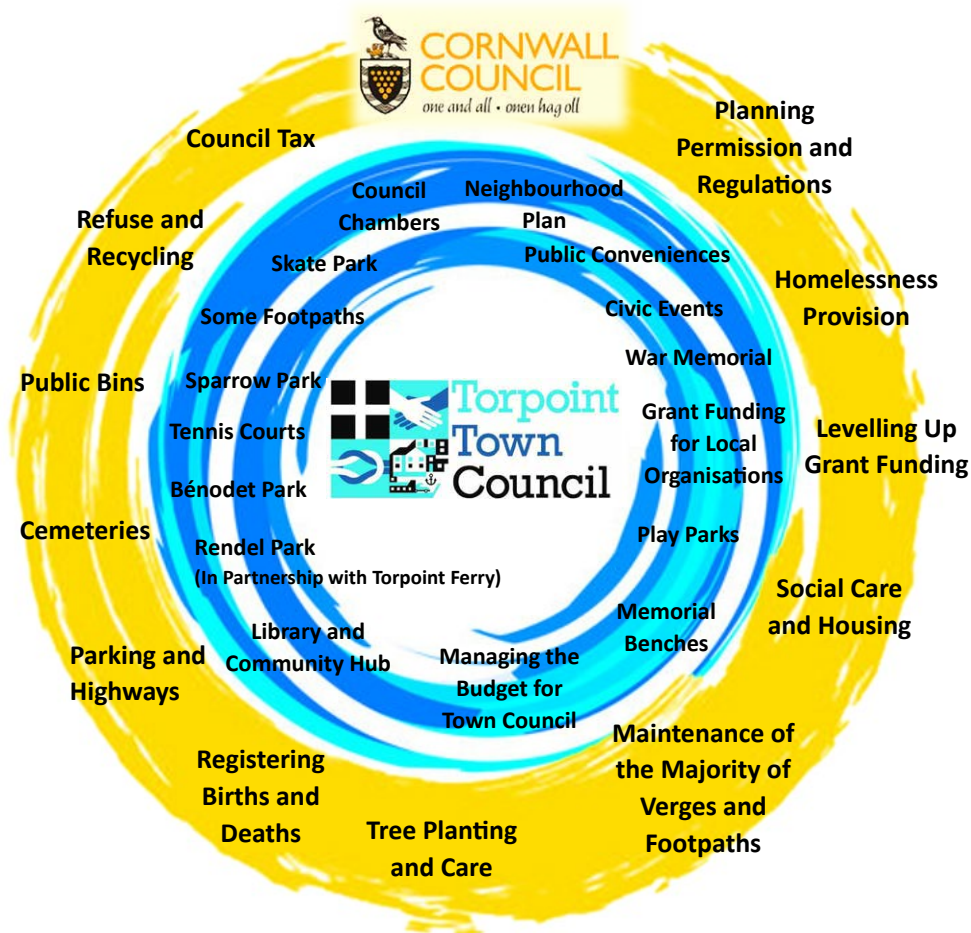

Here are a few top tips to avoid being caught out by a rogue trader:

- ❌ Don't agree to work offered by unsolicited doorstep callers
- ❌ Don't be rushed into making a decision there and then, always go away and do your own research
- ✅ Do ask to see evidence of professional qualifications and public liability insurance
- ✅ Do make sure you have full contact details for the tradesperson

If you experience any issues or you unfortunately become a victim of a rogue trader, please contact Trading Standards. If you notice anything suspicious call 101 or if you feel like you are in immediate danger please dial 999.

Responsibilities of TTC & Unitary Authority

The graphic below shows what Torpoint Town Council deals with in the inner wheel and what Cornwall Council deals with in the outer wheel. These are examples covering the most obvious areas of responsibility; if you can't find something here, either check online at cornwall.gov.uk, visit the Town Council's website torpointtowncouncil.gov.uk or contact admin@torpointtowncouncil.gov.uk

Patient Participation Group (PPG)

The PPG, all patient volunteers, aim to advise the Rame Group Practice on the issues which matter most to patients. Working in partnership with the practice to identify challenges and suggest solutions, always respecting practice and patient confidentiality.

We get involved with and support healthy projects, such as the Wellbeing Garden at Penntorr securing funding for its creation and ongoing development from Torpoint Town Council.

We were delighted that the Practice supported the new Tennis Courts, promoting a healthy lifestyle.

If you would like to find out more about becoming a member of the PPG please contact the practice to register.

Torpoint Neighbourhood Development Plan

The Torpoint Neighbourhood Development Plan steering group met on Monday 17th June to discuss and agree the next steps for the plan. The plan is being updated to include mitigations for the replacement of land at Defiance Field.

Four mitigations are being included, these are: -

1. Antony Estate is offering a replacement sports field;
2. Relocation of the boules piste to land next to the tennis courts;
3. Provide an all-weather 3G football turf pitch, to be located on land at Torpoint Community College.
4. Provision of a cricket square, this could be played at Horson Field.

Once the plan has been updated and approved by the steering group, it will be resubmitted to Cornwall Council. After submission, responsibility for taking the process forward lies with the local planning authority (Cornwall Council) who will publicise the plan (Regulation 16) and arrange for the independent examination. This will consider whether the neighbourhood plan meets the basic conditions and other legal requirements.

Update from the Torpoint Diverse Advisory Panel

The Torpoint Diverse Advisory Panel met on Wednesday 12th June for our quarterly meeting, we had a lot to discuss on the agenda.

The letter to local businesses explaining the inclusive partner sticker scheme and the high street doorbell scheme, have now been delivered.

We are looking to work together with Torpoint Town Council and the local community to bring accessible play equipment to our town, more information on this will be shared shortly.

In the meantime, if you have any suggestions on how to improve accessibility within our town, and would like Torpoint Diverse Advisory Panel to discuss these, please get in touch with the council office, via email: admin@torpointtowncouncil.gov.uk, or telephone 01752 814165.

If you are feeling weighed down by debt, then we can help. You may think your situation is impossible, but there is hope. Our friendly team will give you a listening ear in confidential appointments and provide a practical solution to your debts.

Since we started helping people out of debt in 1996, we've helped thousands in situations like yours through our professional service offered by over 250 CAP Debt Centres. So ring us today and begin your journey to becoming debt free.

Does it cost anything?

Our service is completely free. We are able to provide a totally free service because CAP is a charity and receives donations from churches and individuals who want to help people.

Will my creditors cooperate with you?

Yes. We have worked with over 1,000 companies within the finance industry and we are well respected. This means that councils, utilities and mortgage companies work with us because they have seen the results of our involvement. They know we offer fair repayments based on what you can afford.

Is CAP just for Christians?

No. CAP will help anyone regardless of their religious beliefs. We are committed to our service being available to all individuals regardless of age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation. Will take appropriate measures to monitor this.

How our debt help service works

1 Local appointments

After you call CAP, a Debt Coach from a local CAP Debt Centre will carry out your first appointment.

2 An effective budget

Our trained Debt Advisors will work out a realistic budget that prioritises your essential bills. We will negotiate affordable payments with each creditor and attempt to stop unfair interest and charges where possible. Your local Debt Coach will then explain the budget and the payments you will need to make.

3 CAP Plan

In most cases, a CAP Plan is set up for you. You will need to make one monthly payment into your CAP Plan to cover your debts and also bills if appropriate. CAP will then distribute this to your creditors on your behalf. You can also build up savings through your CAP Plan.

4 Severe debt

If you are in severe debt, we can walk you through insolvency options, such as petitioning for bankruptcy and helping you to fill out the forms.

5 Debt free

You can use your CAP Plan to pay your bills and debt repayments until you are debt free. We look forward to celebrating with you when you cross the finish line!

Call free on: 0800 328 0006
or visit: capdebthelp.org

We know it takes a lot of courage to make the first call. But the sooner you ring, the sooner you'll have peace of mind.

Update from Torpoint Environmental Action - TEA

On Tuesday 2nd July Torpoint Environmental Action - TEA unveiled the brand new water refill station in Bénodet Park!

Councillor Mrs Chris Goodman thanked everyone who was involved in bringing the project to fruition and introduced the dolphin fountain which has been named Tea-na in recognition of the group.

The fountain will be a brilliant asset to the park for walkers and those using our newly refurbished tennis courts and is another step further towards combating climate change.
