Hi Milly,

I have been on foot patrol with Hayley and Sid today, I have been speaking to some of the residents at Wellington Street. They have been having some issues with kids knocking on doors and other general ASB happening in the area. We are going to try and increase our patrol in the evenings and we have given appropriate advice about getting CCTV and ring door bells. One resident raised the possibility of getting a CCTV camera on the telegraph pole on the corner of Wellington Street and St James Steet. Do you think this would be something the Town Council could look into?

Best regards,

Megan Buckley
