

Proposed Torpoint Health Centre – Public Consultation

As most people in Torpoint are aware, a proposal has been put forward to establish a new health centre at Trevol Business Park.

Following considerable debate by Torpoint Town Council, it was resolved to press for a full public meeting, in which to discuss the issues and concerns of the Torpoint Community, such as transport, access etc. Negotiations took place between the Town Mayor and the *Cornwall and Isles of Scilly Primary Care Trust (CIOSPCT)*; regrettably, the CIOSPCT did not wish to engage in such a meeting. However, a Public Consultation event has been arranged as follows:

- Wednesday, 21st March 2012
- 2pm to 7pm
- Torpoint Council Chambers

The consultation event forms part of the consultation process that the CIOSPCT has to follow as a planning requirement. It will give *you* the opportunity to discuss your concerns on a 1:1 basis with the people who are leading the project.

Whilst the Public Consultation event isn't necessarily the outcome that either you or the Town Council wanted, a further meeting between Torpoint Town Council and CIOSPCT will take place, in which the issues raised will be discussed and solutions sought to *your* concerns.

Posters will be placed around the town as soon as possible and any updates will be published via this website. However, in order to ensure that the message is spread as widely as possible, please pass this information on to your family, friends etc.

Eddie Andrews

Councillor Edward Andrews

Torpoint Town Mayor
