LGPS 2014 SCHEME

CORNWALL COUNCIL PENSION FUND DISCRETION & REGULATION POLICY ON INDIVIDUAL DISCRETIONS

Introduction

This Policy sets out how Torpoint Town Council will exercise its discretionary functions under the Local Government Pension Scheme (LGPS), which is administered by Cornwall Council Pension Fund.

There are many discretions in the current and previous regulations. This policy covers the regulations where a written policy must be in place in relation to the exercise of its discretion, which are:

- a. 12. Power of employing authority to increase total membership of active members
- b. 16. Shared Cost Additional Pension
- c. 17. Shared Cost AVC arrangement
- d. 18. Flexible retirement
- e. 30. Choice of early payment of pension according to the Benefits Regulations
- f. 31. Power of employing authority to grant additional pension

In preparing, or reviewing and making revisions to this policy, Torpoint Town Council must have regard to the extent to which the exercise of any of the functions, in accordance with this policy could lead to a serious loss of confidence in the public service and be satisfied that this policy is workable, affordable and reasonable having regard to foreseeable costs.

Legal Framework

All employers who participate in the Local Government Pension Scheme are required to formulate a discretions policy in accordance with Regulation 66 of The Local Government Pension Scheme (Administration) Regulations 2008, and Regulation 60 of the Local Government Pension Scheme Regulations 2013.

POLICY DECISIONS TABLE

1. Reg. 16(2)e* & Reg. 16(4)d: Shared Cost Additional Pension Scheme An employer can choose to pay for or contribute towards a member's Additional Pension Contract via a Shared Cost Additional Pension Contract (SCAPC) [Note: this discretion only relates to cases when the member is working as normal rather than absent from work with permission but no pensionable pay – in the latter scenario, employers must fund it if necessary.]	Torpoint Town Council will only consider this discretion in exceptional circumstances. This discretion will only be exercised with the expressed permission of Council after consideration of the costs that would apply.
2. Reg. 17(1): Shared Cost Additional Voluntary (AV) Contribution Arrangement An employer can choose to pay for or contribute towards a member's Additional Voluntary Contribution arrangement entered into before, on or after 1st April 2014 via a shared cost AVC. In such cases pension benefits will be reduced in accordance with actuarial tables unless the employer waives reduction on compassionate grounds or a member has protected rights.</p>	<p>Torpoint Town Council will consider employee requests to take flexible retirement on a case by case basis after taking into account factors such as service delivery. The Council will be responsible for agreeing (or otherwise) to all requests to take flexible retirement.</p>
<p>5. Reg. 30(8): Waiving of actuarial reduction. Employers have the power to waive, on compassionate grounds, the actuarial reduction (in whole or part) applied to member's benefits paid on the grounds of flexible retirement. Employers may also waive, on the compassionate grounds, the actuarial reduction (in whole or in part) applied to member's benefits for deferred members and suspended tier 3 ill health pensioners who elect to draw benefits on or after age 60 and before normal pension age.
