About You

Please provide us with some background information about yourself and your reasons for wanting to become a local councillor (Up to 300 words)

I am 18 years old,

I have just finished sixth form at Torpoint community college, where I took physics, chemistry and maths.

I have lived in Torpoint my whole life, and I want to be a town councillor here because I love this town. I am interested in helping to provide Torpoint with an increased police presence, to lower crime, and I am looking to fight for increased activities in Torpoint, such as improving existing leisure equipment. I am also heavily interested in pushing forth the town expansion at the same time as protecting our green space and nature, such as the forest surrounding borough play park, as I believe that increased nature and green space positively impacts overall morale and mood within the town.

I will actively fight and press for issues and projects I truly believe in, such as the neighbourhood development plan, I have read over public documents on the council web page, and the sketches and plans that have been drawn out, I think are personally good ideas.

I am interested in ensuring Torpoint retains and improves it's homely, family-raising image and helping to instil a warm, welcoming atmosphere to some of the lower ends of town, which can sometimes feel neglected.

I will allocate as much personal time as necessary to be completely sure this town gets everything it needs, and I will personally approach Cornwall councillors or even MPs with important documentation if it helps this town.

Although I am quite young, I feel it is important to have a viewpoint from the youth of Torpoint, like my own, as I am very passionate about improving and aiding this town, in any form I am able.

Thank you for your consideration,

Liam D Hogan.

I, Liam Daniel Hogan hereby confirm that I am eligible for the vacancy of councillor on Torpoint Town Council, and the information given on this form is true and accurate record.
