Dear Julie

Could you please express my gratitude to the team at TTC for supporting me on this event.

The committee room was the perfect venue and allowing me to apply for a free of use and promoting the event in your newsletter was crucial to making the event successful.

We had 120 people taking 140 tests. 5 of these were women who paid for multiple tests including cholesterol.

115 men had PSA tests, 31 which we were able to provide free due to funding.

I have already been asked if this service will be offered again and hopefully we will be able to make this an annual event until regular screening is conducted.

I have feelers out for funding so we can offer more FREE tests.

Once again

Thank you

Jenny Hughes
