Importance: High

Information Classification: CONTROLLED

Hello Milly and Chris

I hope you are both well.

I will be writing to all T&PC's, CAP members and the previous members of the South East Cornwall CAP climate change & nature recovery working group, but I'm conscious that the next full council meeting for Torpoint TC will be next Thursday - so wanted to update you both following the meeting of the South East Cornwall CAP held on 23rd June.

At that meeting, it was agreed that the climate change & nature recovery working group should continue and that I should ascertain if the previous members of this group wish to continue, or if there will be a new representative.

As before, the intent is to hold quarterly meetings online and dates will be circulated once there are details regarding those who wish to be part of it.

I would therefore be grateful if you could advise if Torpoint TC wish to have a representative linked to the South East Cornwall CAP climate change & nature recovery working group.

I look forward to hearing from you.

With kind regards
Catherine
