UPDATE | The release of Annual Benefit Statements

Members have been notified that their annual pension information for the 2024/25 financial year is available to view on My Pension Online. This update reflects their pension benefits as at the 31 March 2025.

We recommend all members review their pension details carefully, with particular attention to their **CARE pensionable pay**, as this directly affects the pension they have built up. If a member believes this figure is incorrect, they have been advised to contact you directly to investigate. If you discover corrections need to be made, please liaise with the Employer Data Team – please contact your Employer Data Officer at employerdata@cornwall.gov.uk.

If a member is unsure how to access their My Pension Online account, please direct them to our website. If they are unable to log-in, they can contact the Fund via:

- Website: www.cornwallpensionfund.org.uk
- Email: pensionsonline@cornwall.gov.uk
- Phone: 01872 324 234 (Option 2)

Approved redundancies

REMINDER | Annual Member Survey 2025

There's still time to share your views on the Cornwall Pension Fund's approach to responsible investment.

The Pension Fund would like to engage with its members to find out their views on responsible investment and the Fund's approach to responsible investment. This will allow the Fund to better understand the views of Scheme members on issues such as climate change.

The feedback will then be taken into account when the Fund conducts its annual review of the Fund's Responsible Investment Policy, later in the year. It will also allow the Fund to establish the best way to communicate with its members on the progress the Fund is making with regards to responsible investment.

We have now published our fifth annual survey. If you would like to take part in the short survey, please visit: <https://letstalk.cornwall.gov.uk/cornwall-pension-fund>
