Subject: St John Ambulance Cadet first aid demonstrations

Morning

I am reaching out to you as the Hub Lead for the St John Ambulance Cadets in Torpoint. As part of their current subject the cadets are exploring different organisations across their community and as such would like to reach out and offer to come and provide some first aid demonstrations to yourselves. At present St John Ambulance is leading with the Save a Life September, to which you can find out more on the national website. But for now the Torpoint Cadets like to offer to come and share their knowledge with their community. The session can be tailored to your needs, but would have to be during an evening or weekend due to the cadets having school.

We hope to hear back from you soon
Many Thanks
