Subject: Street Trading Updates

Information Classification: CONTROLLED

Please note the below Street Trading updates for your information:-

Street Trading Policy

The Council has now approved and published its latest Street Trading Statement of Practices, Procedures and Policy – this is available on the Council's website:

<https://www.cornwall.gov.uk/business-trading-and-licences/licences-and-street-trading/street-trading-licence/>

Publication of Street Trading Register

The above webpage is also being updated in the near future to include a Street Trading Register – this will include a list of Street Trading applications which are pending, and Street Trading Consents which have been issued.

Renewal of Street Trading Consents

I would inform you of an important change to the way the Council handles renewal applications. The Licensing Service will no longer be consulting annually on Street Trading renewal applications. If a renewal is submitted in exactly the same terms as the previously granted Consent and no concerns have been raised, the Street Trading Consent will be automatically renewed. Therefore, if you have any concerns about a street trader, please contact the Licensing Service directly rather than waiting for the renewal period. Please note the email address for the Licensing Service is licensing@cornwall.gov.uk

Thank you for your attention to this important update.

Kind regards
